Missions:

The Annie Armstrong North American Offering for this year totaled \$2,323.00. Good job, Stithton. Our next missions offering time will be in September for Kentucky missions.

The Teeple's are working to return to Guinean in Africa in early summer. It is a complex and time-consuming process. There are a number of chores to complete: paperwork, immunizations, a passport for baby Rylene and churches to visit. Prayer is needed for the holes in Rylene's heart to close, as well.

Stithton is now supporting an Asian work in teaching Bible to disciples of Jesus. Some of them are training in country and some are in the United States. Many live in dangerous-to-be-Christian areas so please pray for their safety.
